

Dear EE Faculty,

**Enclosed is the:
EE Student Advisory Board
Spring 2010 Undergraduate Student Survey**

DUE: April 9, 2010 by 4pm to the box outside the EE Office

We use the feedback to help us make the EE Department better each semester.

We ask that you please distribute these surveys during the beginning portion of class, if possible. It should only take 10 minutes. After the survey is finished please collect them back in this envelope and designate a student to return the envelope to the EE Office on the 4th floor of Holmes Hall after class.

Please read the following out loud to your students:

This questionnaire is intended to collect quantitative data to provide feedback from the student body to the Electrical engineering Department concerning the Undergraduate Program. Please take a moment to complete this survey, as it helps insure that student concerns are being addressed. Your participation is valuable to the Student Advisory Board and is greatly appreciated. Faculty responses to the concerns expressed on the survey will be posted on the EE website. This will be used to evaluate ALL of your Electrical Engineering classes that you are currently enrolled in so please fill out one survey and address all of your concerns.

If you have taken this survey already, please do not retake it.

Directions:

For each category below, please circle one number (or letter) that best expresses your opinion of the issues as they pertain to the Electrical Engineering Program.

The scale is as follows:

1=Poor 4 = Excellent NA=Not Applicable

Please provide comments as indicated.

Thank you for your time and cooperation,

2010 EE Student Advisory Board
